Dear Breakfast Host,

On behalf of Childline, I would like to thank you sincerely for raising the fantastic sum of €347.00 which was received on 24/10/2016 in support of our 10th Cheerios Childline Breakfast Appeal.

"Thank you for supporting Childline, it is an incredible and vital service for every young person in Ireland. I truly believe together we can ensure that every child has a chance to shine in their lives"
(Gabrielle Geraghty, Childline Volunteer)

As Ireland's only 24-hour service for Children, ISPCC Childline believes that every child, every morning, deserves to Rise and Shine. Funds raised through Cheerios Childline Breakfast helps Childline ensure it is there for children, every day – and night.

Childline answers over 1,000 calls from children all over Ireland, every single day, and night. Children call Childline to talk about everything from everyday troubles to major life issues, with thousands of calls every year from children experiencing issues such as loneliness, isolation, bullying, distress and abuse.

Once again, thank you for hosting a Cheerios Childline Breakfast, together we can help ensure every child is heard and valued.

Kind Regards

Susie Halpin
Team Breakfast
